

A vibrant red poster for a Red Nose Day Disco event. The central focus is a large white circle containing four cartoon red nose characters. At the top, a character with large eyes and a small nose. In the center, a character with spiky hair, large eyes, and headphones, with musical notes around its mouth. To the left, a character with large round glasses and a striped shirt. To the right, a character with a white hair bow and a red mask. A red starburst shape to the right of the central character contains the text 'DISCO PARTY'. Below the central character, the text 'Presented by Little Rockers Radio' is written in a stylized font. The background of the circle is a pattern of small white dots. Below the circle, the text 'red nose day' is written in large, bold, red lowercase letters, with 'friday 13 august' in smaller red lowercase letters underneath. At the bottom, there is a section for 'Disco details' with several horizontal lines for writing. In the bottom right corner, there are icons for Facebook, Instagram, and Twitter, and a line of text: 'Bring your gold coin donation and get ready to rock!'.
